BACKGROUND

- Experimental High Energy physicist studying neutrino oscillations

PROFESSIONAL EXPERIENCE

University of Mississippi, Department of Physics & Astronomy, Oxford, MS USA

Assistant Professor of Physics

Aug. 2019 - Present

- Teaching and Research

Indiana University, Department of Physics, Bloomington, IN USA

Postdoctoral Research Fellow
Supervisor: Prof. Mark Messier

Oct. 2015 - Aug. 2019

- Postdoc work

Iowa State University, Dept. of Physics, Ames, IA USA

Postdoc
Supervisor: Prof. Mayly Sanchez

Oct. 2014 - Aug. 2015

- did some things

EDUCATION

Lancaster University, PhD Physics

20XX - 20XX

Dissertation: Understanding and calibrating the DS-ECal of ND280 in the T2K project

PhD Advisor: Dr. Laura Kormos

Lancaster University, M.Phys Physics/USA, 2:1

2009 - 2013

Dissertation:

EXTRACURRICULAR **APS** Member

2014 - Present

Referees Available on Request
